

Healthy resolutions for your home and family

For Him

Easily clean the garage with a Power Pac

Includes a small power unit, 30 ft. hose, crevice tool, dusting brush, upholstery nozzle with slide-on brush tools and two wands.

For Her

The quietest electric power team on the market, the Beam Q™

Convenient on-board tools come standard. Detach the wand from the power brush easily with QuickRelease™ wand system. Three levels of height adjustment provide Beam's highest level of carpet cleaning effectiveness. Illuminate all cleaning surfaces with the high intensity LED headlight.

For Fido

Remove pet hair and dander while brushing your pet

Three pet grooming tools to choose from. The grooming brush has flexible bristles and is very versatile. The pin comb works best on wooly coats and the curry comb massages the skin and removes dead hair from short coated breeds.
